Lane Closed for Pothole Repair on I-55 over Illinois 53

CHICAGO – The Illinois Department of Transportation announced that an emergency pothole repair will require closing the right southbound lane of Interstate 55 over Illinois 53 near Bolingbrook. The repair is expected to last until late this afternoon, possibly impacting the evening commute.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.

The bridge where the repair is taking place will be included in a larger patching project, tentatively starting in late October, to improve I-55 between Weber Road and the Veterans Memorial Tollway (Interstate 355).
